## Education

**B.Tech in Computer Science and Engineering, Academy of Technology, Hooghly** **7.75 CGPA**  
2022–2026 *Total CGPA*  
**Class 12, Kalna Maharaja's High School** **96.67% (2021)**  
**Class 10, Kalna Maharaja's High School** **87.78% (2019)**

## Work Experience

**COGNIZANT** **Mar 2026 – Jul 2026**  
*GenC .NET Intern*

- Completed GenC .NET Training with hands-on experience in C#, SQL Server, .NET Framework, Microsoft Dynamics 365 and Plugin Development.
- Gained practical exposure to Dataverse, Power Platform and enterprise application development.

**CODSOFT** **Sept 2025 – Oct 2025**  
*Java Programming Intern*

- Completed a four-week virtual internship focused on Java programming and application development.

## Projects

**Alzheimer's Disease Detection Using Deep Learning**  
*Python, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn, Nibabel*

- Developed an ML-based Alzheimer's detection system using ADNI and OASIS datasets with an end-to-end Scikit-learn pipeline for preprocessing, augmentation and benchmarking.

**Employee Management System**  
*Java, MySQL*

- Developed a Java Swing desktop application with MySQL integration featuring CRUD operations, validation and employee record management.

## Skills

**Languages:** C, C++, Java, Python, C#, JavaScript

**Technologies:** .NET Framework, Microsoft Dynamics 365, HTML, CSS

**Database:** SQL Server, MySQL

**Power Platform:** Power Apps, Power Automate, Dataverse

**Tools:** VS Code, Eclipse, GitHub

## Other Skills

- |                       |                 |                   |                      |
|-----------------------|-----------------|-------------------|----------------------|
| • Presentation Skills | • Leadership    | • Problem Solving | • Project Management |
| • Time Management     | • Communication | • Teamwork        | • Adaptability       |

## Certifications

- |                                                                           |                                                                       |
|---------------------------------------------------------------------------|-----------------------------------------------------------------------|
| • Microsoft Certified: Dynamics 365 Customer Experience Analyst Associate | • Microsoft Certified: Power Platform Functional Consultant Associate |
| • Microsoft 365 Certified: Copilot and Agent Administration Fundamentals  | • Microsoft Certified: Power Platform Fundamentals                    |
| • WIPRO JAVA Certification                                                |                                                                       |

## Achievements

- Achieved Grade 'A' in Data Structures and Algorithms in University Exams, highlighting strong problem-solving skills.
- Selected for Wipro's TalentNext Full Stack Java Program through competitive assessments.

## Languages & Hobbies

**Languages:** English, Bengali, Hindi

**Hobbies:** Playing Football, Photography, Reading Books

## Self Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
